

SIZE: REFERRAL AND AFFILIATE PROGRAM TERMS

Operated by Trench Labs Group Ltd. ("the Company", "we", "us", "our")

Effective Date: 30 June 2026 Last Updated: 11 August 2026

These Referral and Affiliate Program Terms (the "Referral Terms") govern your participation in the Size referral and affiliate program (the "Program"). They form part of, and must be read together with, the Size Terms of Service (the "Terms"). Capitalized terms not defined here have the meaning given in the Terms. If there is any conflict, these Referral Terms prevail on matters specific to the Program, and the Terms prevail on all other matters. You accept these Referral Terms by participating in the Program, including by requesting, generating, or sharing a referral code or link, or by claiming or receiving any commission or reward under the Program.

1. PARTICIPATION AND ELIGIBILITY

1.1 To participate as a referrer ("Referrer"), you must hold an Account in good standing and meet all eligibility requirements in the Terms, including being at least 18 years of age and not being a Restricted Person as described in Section 4.2 of the Terms.

1.2 A "Referee" is a new user who did not previously hold an Account and who is attributed to you under Section 2, whether by entering your referral code, using your referral link, or by attribution cookie.

1.3 The Company may approve, decline, suspend, or remove any participant from the Program at its sole discretion.

2. ATTRIBUTION

2.1 **Referral code and link.** You will be provided a unique referral code or link. A valid referral sets a last-touch attribution cookie that is effective for thirty (30) days. A referral code entered by the Referee at registration or first purchase takes precedence over any attribution cookie.

2.2 **Locking.** A Referee is permanently bound to the first Referrer whose code or link was active at the Referee's first cleared purchase. There is one Referrer per Referee. Attribution is permanent and is not reassigned, transferred, or changed.

2.3 **No attribution, no commission.** If attribution cannot be established at the Referee's first cleared purchase, no commission accrues for that Referee.

3. REFERRER COMMISSION

3.1 **Commission.** Subject to these Referral Terms, you earn a commission equal to your then-current tier rate applied to the realized gross Store revenue generated by each of your Referees, for the lifetime of that Referee's Account.

3.2 Commission base. The commission base is all Store revenue actually paid by a Referee across all current and future surfaces, including evaluation Keys, retries, Store items, recurring rake and subscriptions, cosmetics, and tournament entries. The commission base excludes Payouts and other trader rewards, refunds, and charged-back amounts.

3.3 Tier ladder. Your tier rate is determined by your number of Active Referrals, as follows:

Tier	Active Referrals	Store revenue share
I	1+	10.0%
II	25+	11.5%
III	50+	13.5%
IV	100+	15.0%
V	250+	16.5%
VI	500+	18.0%
VII	1,000+	20.0%

3.4 Active Referral. An "Active Referral" is a Referee who has placed at least one trade (in a Trial or otherwise) within the preceding seven (7) days.

3.5 Weekly tier settlement. Your tier is recalculated at each weekly boundary (Monday 00:00 UTC) from your Active Referral count over the trailing seven (7) days, and is locked for the following week. All Store revenue in that week is commissioned at the locked rate. Tiers may move up or down at each boundary. Your live count and progress are shown for information only; the rate that pays changes only at the boundary.

3.6 Rate basis. The applicable rate is your locked tier rate at the time the relevant Store revenue is earned.

4. PAYMENT OF COMMISSION

4.1 Method and timing. Commissions are paid in supported Digital Assets to your Wallet, executed by smart contract, on a weekly basis at the Monday 00:00 UTC boundary, in respect of commission that has cleared the applicable refund and chargeback window.

4.2 Minimum. A minimum balance of the equivalent of USD 50 is required for a payment to be released. Amounts below the minimum roll forward until the threshold is met.

4.3 Settlement. As with all Platform transactions, the Company handles no funds in connection with commission payments; settlement occurs on-chain. You are responsible for providing a valid Wallet and for any taxes on amounts you receive.

5. REFEREE REWARD

5.1 The Company may, at its sole discretion, offer promotional incentives to Referees from time to time. Any such incentive is announced on the Platform, is promotional and discretionary, is not cash, credit, or transferable, has no cash value, and may be modified or withdrawn prospectively at any time.

5.2 Any Referee incentive is limited to one per verified identity and is de-duplicated across Wallet, identity, device, and payment instrument. Issuance is subject to the Company's normal limits, throttles, and risk controls, and may be withheld where abuse is suspected.

6. CLAWBACK AND SET-OFF

6.1 If a transaction on which commission was paid or accrued is refunded or charged back, the matching commission is reversed in full.

6.2 The Company may set off any clawed-back, overpaid, or disputed amounts against your current or future commissions, or recover them from you directly.

6.3 Except as provided in Sections 6.1, 6.2, and 7.3, commission already paid in respect of a Referee who is later determined to be ineligible, or whose Account is suspended or closed, is not reversed. Commission ceases to accrue in respect of that Referee from the date of the determination, suspension, or closure.

7. PROHIBITED CONDUCT IN THE PROGRAM

7.1 In addition to the Prohibited Conduct in the Terms, you must not:

(a) refer yourself, or create or use fake, duplicate, or synthetic Accounts, identities, devices, or payment instruments; (b) engage in self-dealing, collusion, circular referrals, or any scheme to inflate Active Referrals, commission, or rewards; (c) make false, misleading, exaggerated, or unauthorized claims about the Platform, including any guarantee of funding, profit, or earnings; (d) promote the Platform through spam, unsolicited messaging, misleading advertising, or any unlawful means; (e) misuse the Company's name, trademarks, domains, or brand, or impersonate the Company or imply an endorsement or partnership that does not exist; (f) bid on, register, or use the Company's trademarks or confusingly similar terms in paid advertising or domains without prior written consent; (g) deliberately target persons located in or ordinarily resident in a Restricted Jurisdiction with promotion of the Platform, or knowingly enroll Referees who are minors or otherwise Restricted Persons under the Terms (the language in which you produce content does not, of itself, constitute targeting); or (h) fail to make any disclosure of your referral or affiliate relationship required by applicable advertising, consumer-protection, or other law.

7.2 You are responsible for complying with all laws applicable to your promotional activity, including advertising, consumer-protection, data-protection, and tax laws, and for making all legally required disclosures of your relationship with the Company.

7.3 Breach of this Section is grounds for withholding and clawback of commission attributable to the breach, forfeiture of rewards, removal from the Program, and suspension, ban, or termination under the Terms.

8. CHANGES TO AND TERMINATION OF THE PROGRAM

8.1 The Company may change the tiers, rates, commission base, reward, eligibility, or any other aspect of the Program, or suspend or discontinue the Program, at any time, by publishing updated terms on the Platform. Changes apply prospectively. Commission validly earned and cleared before a change takes effect will be honored.

8.2 You may leave the Program at any time. The Company may remove you from the Program or terminate the Program for any reason. On termination for cause, unpaid and uncleared commission may be forfeited.

9. RELATIONSHIP OF THE PARTIES

9.1 You participate in the Program as an independent participant. Nothing in these Referral Terms creates any employment, agency, partnership, joint venture, or fiduciary relationship between you and the Company. You have no authority to bind the Company or to make any representation on its behalf.

10. NO GUARANTEE; DISCLAIMERS; LIABILITY

10.1 The Company makes no representation or guarantee that you will earn any particular amount, or any amount, through the Program.

10.2 The Program is provided "AS IS". The disclaimers, limitations of liability, indemnification, governing-law, and dispute-resolution provisions of the Terms (including Sections 10, 11, 12, and 15 of the Terms) apply to the Program and are incorporated by reference. These Referral Terms are governed by the laws of England and Wales and disputes are resolved by arbitration as set out in the Terms.
