The Platform is also not offered to, and may not be accessed or used by: any citizen or permanent resident of the United States of America, wherever located; any person located in or ordinarily resident in the United States of America (including its States, territories, and possessions); any entity organized under the laws of the United States of America or any State or territory thereof; or any person located in or ordinarily resident in the Province of Ontario, Canada.

3. SANCTIONS AND MONITORING CATCH-ALL

For the avoidance of doubt, this list is not exhaustive. Any jurisdiction that is subject to comprehensive sanctions administered by the United Nations, the European Union, the United Kingdom, the Monetary Authority of Singapore, or the U.S. Office of Foreign Assets Control (OFAC), or that is identified by the Financial Action Task Force (FATF) as a jurisdiction subject to a call for action, is a Restricted Jurisdiction and is included whether or not it is expressly named above.

The Platform is also not available to any person, wherever located, who is named on any sanctions or restricted-party list maintained by any of the authorities referred to above or any other relevant authority, or who is owned or controlled by, or acting for or on behalf of, any such person or any person described in Sections 1 or 2.

4. UPDATES AND NO CIRCUMVENTION

The Company may add to or amend this list at any time by publishing an updated version on the Platform, and the updated list forms part of the Terms of Service.
